Silicon Valley Chapter  
July 1, 2021–June 30, 2022

"Red Cross volunteers make our mission possible. Their commitment to helping those in need ensures families never face emergencies alone."

Ken Toren, CEO, Silicon Valley Chapter

The Silicon Valley Chapter serves people facing emergencies every day, and embracing the diversity of our staff, volunteers, and people we serve is vital to this work. Powered by 1,653 dedicated volunteers and generous donors like you, over the past fiscal year we have:

Helped 291 families affected by 120 disasters, the majority of these home fires.

Collected 22,156 units of lifesaving blood from 516 local blood drives.

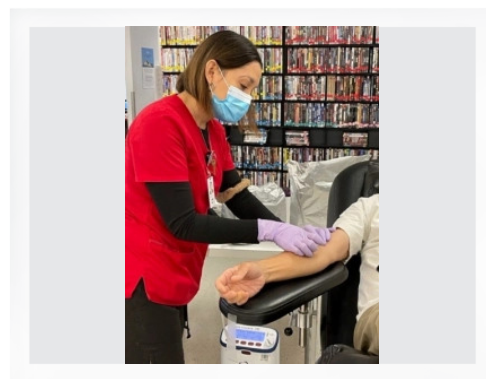

Provided 790 critical community services to members of the military, veterans and their families.

Trained 10,748 people in First Aid/CPR/AED and 1,721 people in aquatics and water safety.

Educated 2,195 participants through 51 International Humanitarian Law events in our 15 counties as part of the Youth Action Campaign.

"The best part is when donors are happy," says Astrid, a Red Cross Phlebotomist working in San Jose. She admires those who donate because, as she says, "It's people trying to do good."

Thank you for your generous support, which makes our mission—alleviating human suffering in the face of emergencies—possible.

*Thank you!*
