

2019 Disaster Response

This year, the Red Cross responded **daily** to the needs of people displaced by crises like floods, tornadoes, hurricanes and fires. Thanks to generous supporters, our disaster workforce—**90% volunteers**—helped hundreds of thousands of people across the U.S.

Served **over 1.1 million meals and snacks** with partners

Made **nearly 94,300 contacts** to support health, mental health, spiritual care and disability needs

Distributed **financial assistance to more than 404,000 individuals** to cover urgent needs

Provided **over 83,700 overnight shelter stays** with partners

Distributed **nearly 360,200 relief items**

Sent **over 320 million severe weather alerts** through our free mobile apps

Our Home Fire Campaign helps keep families safe from the nation's most common disaster.

Installed **over 491,000 free smoke alarms**

Created **over 177,000 escape plans**

Made **over 201,000 homes** safer

Every eight minutes, donations help someone affected by disaster. Visit [redcross.org](https://www.redcross.org) to learn more.

Figures reflect \$10,000 and above Red Cross disaster response operations from January 1, 2019 to December 31, 2019. Financial assistance figure also includes home fire responses. Home Fire Campaign statistics are from January 1, 2019 to December 31, 2019.
