

Know what it takes to keep them safer.

Sign up for **free** or **reduced cost** water safety programs available through your facility!

The *Aquatics Centennial Campaign* offers Parent and Child Aquatics, water safety and CPR courses where parents and caregivers will learn:

- ✓ How to prevent water risks and hazards
- ✓ To provide safe and rewarding water experiences for children
- ✓ What to do in an emergency
- ✓ CPR and AED for children

All classes are taught by American Red Cross instructors.

Confidence in water, for life

Learn to swim. Build confidence. Be water smart.
